## First Friday Lock Down Quiz

### Round 4 Heading Down the Trent

On a day in **July**, you are heading to Keadby from Torksey in a slow boat, you decide you will leave Torksey one hour before high tide there and push the tide towards Gainsborough so you can then ride the Ebb and be sure to reach Keadby before the tide turns again. High Water at Torksey is 3 hours 45 mins later than at Hull Albert Dock. High Tide at Albert dock is 09:25GMT.

What time do you plan to leave Torksey ?

### Round 5 An underwater obstacle

A boat leaving Elisions Quay unfortunately sinks due south of Harbour Lights (you can speculate which boat it may be). The Commodore asks you to put up cardinal marks to ensure other members don't hit the sunken boat.

Match the locations with the marks
