### COMMODORES' CORNER

Well, August got off to a good start. The weather was great for boating. Our first-Friday club night was well supported and we look forward to that continuing in September and onwards.

Many thanks go to Laura and Graham who kindly gave over their garden to host the Club barbecue on Saturday 13<sup>th</sup>. Glorious weather, good company and good conversation.

And to complete the weekend, the Club's annual treasure hunt took place on Sunday 14<sup>th</sup>. Although there were only three boats competing this year, the event was good fun for everyone taking part. It was a close thing but Friendly Spirit, captained by Mike and crewed by Linsey, Laura and Graham, took first place. Well done to Angela and John and their crews. Thanks to Peter for setting questions, Bridget for scoring and adjudicating and Barry for helping out at the start and finish lines.

You will see from the Events shown above for September, we have made a few changes. For now, we are cancelling the West Stockwith cruise but adding two new cruises that already have participants but room for more. Contact Duncan or Keith if you want to join the cruise/s

Members participation is the lifeblood of a Club like ours, so we make changes to our Programme of Events to help reflect the wishes of our members, giving more of what you want. It is important for you to share with the committee things you would like to see and we will endeavour to make it happen. We plan to send out a survey detailing all events that have taken place over the years and we hope that you will get back to us with your likes and dislikes together with any fresh ideas you may have.

### BOATERS BANTER

We're still waiting to hear from you about your recent or planned exploits; where do you like to cruise to? Best moorings, favourite eating places, tips and ideas. Send your stories to [mike.bwbc@gmail.com](mailto:mike.bwbc@gmail.com). Cut-off date for next issue is 15 September.
