COMMODORES' CORNER

It is with great regret that I have to inform all members that our Friday Night Meeting venue Quayside Coffee has withdrawn it's facility to us.

Therefore, with immediate effect, there will be no further First Friday Club Nights, until we find an alternative venue.

It is sad to say that we have lost this facility because too few members turned up on Friday Nights and this made opening Quayside Coffee commercially unviable. We would like to thank Beccy and Des for all their hard work, and hope that they may invite us back for other well attended functions in the future.

The annual fish and chip supper in Saxilby took place on Saturday 10th. Three boats made the trip (filling up all available moorings) and sixteen members and friends enjoyed a hearty meal and good conversation.

BOATERS BANTER

We're still waiting to hear from you about your recent or planned exploits; where do you like to cruise to? Best moorings, favourite eating places, tips and ideas. Send your stories to mike.bwbc@gmail.com. Cut-off date for next issue is 15 October.
