**Advance notice:** The Boatlife Show at Birmingham will take place 16-19 February, 2023. Members attended the first of these shows last year and had a good time. If anyone is interested in attending the show, please let me know on [mike.bwbc@gmail.com](mailto:mike.bwbc@gmail.com) If there are sufficient numbers we could hire a coach, otherwise it will be car sharing. RYA members get free admission.

### COMMODORES' CORNER

The Laying Up Supper took place on 15<sup>th</sup> October at The Pyewipe. 38 members, friends and guests attended and a good time was had by all.

There will be important matters to be discussed at the Club AGM with regard to how the Club will move forward in 2023. The feedback to the questionnaires sent out to all members a few weeks ago will be discussed. So we can cater for as many varied needs and wants of the membership, the meeting is the opportunity to have your say.

Members should recognise that Clubs like ours need volunteers to help run the Club. We still have places to fill on the general committee. Remember, the committee want to enjoy themselves as well and we can't do that if we are continually on call, running the events.

The speaker night at Lincoln Boat Club is our first jointly hosted event. We also plan to co-host a Boat Jumble, probably in April.

As we move into a quiet period, there will be no more newsletters until February 2023.

Enjoy the festive period and prepare for an exciting new year of Club events
